

Coming to Calvary Presbyterian Church November 09, 2018:
Foundation-eers Club for Boys

Foundation-eers is a club for boys ages 6-13. The goal of the club is to build faith and Christian fellowship between boys, bonding over our shared love of LEGOS.

Our first meeting will be on Friday, November 9th. We will meet the second Friday of every month, from 6:30-8 PM. Josh Skoudis will lead the meetings, assisted by junior building mentor, Danny Anilonis, and supervised by an elder or male adult member of Calvary Church.

Each meeting will be broken down as follows:

****Opening Devotional***

Josh will read a devotional for boys, using it as a stepping-stone for further discussion.

**** Building Together***

We will build a city together out of LEGOS provided by the church. Each meeting, we will add on to the city. This will be a shared building project in which the boys will be using teamwork to build something together. Josh and Danny will be building alongside the boys, helping them as needed.

****Snack***

We will provide snacks for the boys to enjoy together.

**** Building Side-by-Side***

This will be an opportunity for the boys to express their creativity by building their own projects with their own LEGO bricks while engaging in constructive fellowship side-by-side.

If your boys are interested in joining the Foundation-eers, please see the sign up sheet in the Narthex or contact Josephine Skoudis at joskoudis@yahoo.com or at (908) 692-4685.

We look forward to building faith, fellowship, and friendships together!
